

USER PRIVACY & ACCOUNT MANAGEMENT POLICY

Document: user-policy-v2.pdf | Page 1

SECTION 1: REGISTRATION & ONBOARDING

REQ-001: Prospective users must provide a verified corporate or personal email address.

REQ-002: A 6-digit confirmation code must be emailed within 60 seconds of registration.

REQ-003: User account activation occurs immediately upon confirmation code verification.

REQ-004: Activated users must be granted immediate access to the dashboard portal.

USER PRIVACY & ACCOUNT MANAGEMENT POLICY

Document: user-policy-v2.pdf | Page 2

SECTION 2: ACCOUNT DELETION & RIGHT TO BE FORGOTTEN

REQ-005: Registered users have the unconditional right to permanently delete their account at any time via settings.

REQ-006: Upon confirmed deletion, the system must immediately and permanently purge all user records, transaction histories, and stored personal data within 60 seconds without delay.

REQ-007: Following deletion, zero identifiable telemetry or logs shall be retained on any active or backup storage systems.

USER PRIVACY & ACCOUNT MANAGEMENT POLICY
